Silk screened mouse pads are *our most popular type* of custom printed mouse pad. These are the colored fabric pads with one or more ink colors that you see everywhere.

The pads measure 9-1/4" x 7-3/4" x 1/4" and have a *natural rubber* backing. Most mouse pads are 3/16" thick. Or less. **The following pad colors are available: Black, blue, burgundy, forest green, grey, navy, red and white.**

We can provide any color inks you want, including *Pantone* (PMS) color blending. There is a \$20 per ink color charge for PMS color matching.

There is a *one-time only* setup charge of \$30 per ink color, if you provide camera-ready art. Or we can do the artwork for you for a slight additional charge. The minimum order is 100 pieces.
